WHEREAS, the Louisville Regional Airport Authority (“Airport Authority”) has acquired, or is attempting to acquire, approximately 260 acres in the Edgewood Area (“Edgewood Area Part 150 Property”) in connection with its FAA-approved Part 150 noise mitigation voluntary residential relocation program (“Voluntary Residential Relocation Program”); and

WHEREAS, through March 31, 2007, the Airport Authority has voluntarily acquired 761 of the 817 residences in the Edgewood Area, representing 93 percent of the residences, has relocated the residents from those homes, and has demolished those homes upon their acquisition; and

WHEREAS, this Voluntary Residential Relocation Program in the Edgewood Area has brought about a fundamental change in the use of the 260-acre area; and

WHEREAS, redevelopment of the Edgewood Area Part 150 Property (the “Project”) will result in increased employment and economic development within the Edgewood Area Part 150 Property; and

WHEREAS, it now appears that the present residential zoning and form district of the Edgewood Area is inappropriate; and

WHEREAS, the Council wishes to initiate the zoning map and form district amendment process to review the appropriateness of the inclusion of the Edgewood Area Part 150 Property in the EZ-1 zoning classification and Suburban Workplace Form District, and, as such, requests that the Louisville Metro Planning Commission (“Planning Commission”) hold a public hearing

and make a recommendation on the proposed map and form district amendment to reflect the recommended zoning classification and form district of the Edgewood Area Part 150 Property; and

WHEREAS, the Council has attached as “Exhibit A” a description of the Edgewood Area Part 150 Property to be reviewed for rezoning and form district changes, which description is intended to be a rough description subject to revision after the Planning Commission conducts its study of the proposed area wide rezoning and form district changes, and the Council wishes to have the input of the Planning Commission in determining the appropriate boundaries of the area necessary to facilitate the appropriate redevelopment of the Edgewood Area Part 150 Property;

BE IT RESOLVED BY THE LEGISLATIVE COUNCIL OF THE LOUISVILLE/JEFFERSON COUNTY METRO GOVERNMENT AS FOLLOWS:
